

Mr. Andrew Ruddock, Director
Bureau of Retirement and Insurance
Civil Service Commission
Washington, D. C. 20415

Dear Mr. Ruddock:

As you are aware, the Central Intelligence Agency Retirement Act of 1964 for Certain Employees contains a provision relating to the cost-of-living adjustment of annuities which was patterned after a similar provision of the Civil Service Retirement Act, as amended.

We intend to propose legislation for the consideration of the 90th Congress which would conform this provision to modifications made in the Civil Service Retirement Act by P.L. 89-205. The language of our proposal will be identical to the language contained in Section 208 of H.R. 16306, which was passed by the House of Representatives during the 89th Congress.

We would appreciate your comments on the consistency of our proposal with the provisions now in effect under the Civil Service Retirement Act.

Sincerely,

/s/

John S. Warner
Legislative Counsel
